## Recommendation for Discontinued Programs for 2019-2020

---

---

### **Child Care and Education (CVCCE)**

This program is being discontinued effective fall 2019. This advanced certificate program no longer has meaning in the early childhood field. There is not employment advantage to the student to obtain this certificate. WCC will continue to offer the Child Development Certificate and Associate in Applied Science programs.

Compliance with WCC Policy: Students who have started the program are being taught through to completion. Because the advanced certificate courses are embedded in the associate degree, students will still be able to complete the program. New students are being accepted into the certificate and associate degree programs.

### **Mobile Device Programming (CVCSMD)**

This program is being discontinued due to no enrollment. After some initial interest, no one has enrolled in this program for several years.

Compliance with WCC Policy: No students are currently enrolled in this program

### **Pharmacy Technology (CTPHAR)**

Due to the changes in the nature of the pharmacy industry, this certificate program will now be offered via non-credit programming.

Compliance with WCC Policy: No students are active in this program.
