GEO 101 World Regional Geography Effective Term: Spring/Summer 2020

Course Cover

Division: Humanities, Social and Behavioral Sciences

Department: Social Sciences

Discipline: Geography

Course Number: 101

Org Number: 11700

Full Course Title: World Regional Geography

Transcript Title: World Regional Geography

Is Consultation with other department(s) required: No

Publish in the Following: College Catalog , Time Schedule , Web Page

Reason for Submission: Three Year Review / Assessment Report

Change Information:

Consultation with all departments affected by this course is required.

Outcomes/Assessment

Rationale: Three-year review

Proposed Start Semester: Winter 2020

Course Description: This introductory course in World Regional Geography is divided into two parts. In the first portion of the class, students become familiar with the basic principles and concepts of physical and cultural geography, which they will employ during the remainder of the semester. In the second part of the class, students survey the world on a region-by-region basis, identifying the specific geographic characteristics such as climate, terrain, population, industry and manufacturing, trade, transportation, and agriculture, which give the individual regions their unique identity.

Course Credit Hours

Variable hours: No

Credits: 3

Lecture Hours: Instructor: 45 **Student:** 45

Lab: Instructor: 0 **Student:** 0

Clinical: Instructor: 0 **Student:** 0

Total Contact Hours: Instructor: 45 **Student:** 45

Repeatable for Credit: NO

Grading Methods: Letter Grades

Audit

Are lectures, labs, or clinicals offered as separate sections?: NO (same sections)
