This Agreement made this 1<sup>st</sup> day of July 2018 is by and between Wayne State University (“WSU”) and Washtenaw Community College (“WCC”).

WSU and WCC wish and intend by this Agreement to set forth the terms and conditions of engaging in an educational program and to facilitate the transfer of students who earn an Associate of Arts (A.A.), Sciences (A.S.) or Applied Sciences (A.A.S.) and the MTA endorsement from WCC to complete a Bachelor of Arts or Science in Learning Design and Technology (“BA” or “BS”) degree from WSU, College of Education.

**Article I**  
**Agreement on Program Integrity**

---

*WSU* and *WCC* will maintain the integrity of their separate programs and enter into this Agreement as equal and cooperating partner institutions.

**Article II**  
**Agreement on Principle**

---

This Agreement between *WSU* and *WCC* is intended to provide a smooth and seamless curriculum transition for WCC students that transfer to Wayne State to earn a bachelor’s degree. The Agreement is designed for students who follow a prescribed plan of study leading to an Associate of Arts (A.A.), Sciences (A.S.) or Applied Sciences (A.A.S.). The credits transferred from the associate’s degree, as outlined in the appendices to this document, will be included in the total credit hours required for the WSU baccalaureate degree. All other standard admission, curriculum, and graduation requirements of WCC and WSU must also be met.

**Article III**  
**Agreement on Program Articulation**

---

WCC and WSU agree that any student who has earned the aforementioned AA, AS, or AAS may transfer the credits from their program to the College of Education at WSU toward the BA or BS degree.

**This Agreement specifically allows the transfer of up to seventy-six (76) credits from *WCC* to *WSU*. This is a WSU Board of Governors approved increase in the previously permitted sixty-four (64) transfer credits. The purpose of this increase is to provide WCC students with options to complete an associate’s degree with MTA to assist with completion of the BA or BS.**

The Bachelor's degree requirements for students who follow this Agreement are outlined in Attachment A.

**Article IV**  
**Agreement on Student Support**

---

WSU and WCC agree to track the progress and success of articulation participants. Responsibility for this tracking rests with WSU College of Education. A mechanism is in place to track and report on WCC students' use of this Articulation.

**Article V**  
**Agreement on Communication**

---

WCC and WSU agree to cooperate in communication with each other and with common and respective publics concerning the established relationships between the two institutions. Communication will include the development of various kinds of publications to inform those who might benefit from the opportunities provided by this Agreement. The appropriate faculty and staff in both institutions will share the information in this Agreement with interested and qualified students. Both institutions will provide academic counseling to students and prospective students. Joint efforts in marketing the program and student recruiting will be pursued.

Any marketing of the Agreement in print will be subject to the prior approval of both parties. Each institution will assume responsibility for appropriate marketing to reach their respective student and faculty populations.

Each party may provide on its website, a link to the partner institution's website.

WSU and WCC further agree to communicate annually concerning curriculum changes that may affect the agreed upon program relationship. Responsibility for communication related to this Agreement rests with the individuals appointed under Article VI.

**Article VI**  
**Maintenance and Review Body Procedures**

---

Each institution will appoint one or more faculty or administrators to act as agents for the implementation of this agreement, and communicate changes to respective faculty members, advisors, and others to whom the information is pertinent. Responsibility for the oversight of this agreement rests with the Administration at *Washtenaw Community College* and with the College of Education at *WSU*.

**Article VII**  
**Agreement Regarding Independent Relationship**

---

In the performance of their respective duties and obligations under this Agreement, each party is an independent contractor and neither is the agent, employee, or servant of the other, and each is responsible only for its own conduct. Each institution is solely responsible for the development and design of its own curriculum. Changes on the part of either party will/may necessitate review of this Agreement.

**Article VIII**  
**Agreement Not to Discriminate**

---

Each party covenants and agrees that it does not discriminate on the basis of race, creed, age, sex, or national origin and it complies with the Americans with Disabilities Act of 1990, and that it does not discriminate on the basis of "physical or mental handicap" except where there exists a bona fide academic qualification.

Each party shall be separately responsible for compliance with all federal and state laws, including nondiscrimination laws and all applicable sections of the Michigan Handicapper's Civil Rights Act. Illegal discrimination by either party may be considered a material breach of this Agreement.

**Article IX**  
**Indemnification**

---

To the extent permitted by law, WCC and WSU agree to indemnify and hold one another harmless from any and all claims initiated by student participants, their parents, survivors or agents, arising from any negligent acts or omission on the part of either institution or any of their employee.
