Program requirements are specific and we recommend meeting with an advisor regularly to help lay out a plan on class selection and timing, and to discuss ways to make your application competitive. General advising appointments can be scheduled by logging into your *WCC Gateway* account and clicking on the *Student Services Appointments* tile or by calling (734) 677-5102 and pressing 0.

In addition to general advising, all applicants to the program <u>must</u> have a **mandatory meeting** with one of WCC's designated advisors <u>before applying</u>. Appointments can be scheduled by calling (734) 677-5102 and pressing 0 (online scheduling unavailable). **This appointment should be scheduled <u>during the semester</u> prior to the application deadline (Fall 2020).**
