Washtenaw Community College
Dental Assisting (CFDAC)-Pathway I (Campus)

WCC is no longer collecting applications to the Dental Assisting-Pathway I program for the Fall 2020 semester. **The application for the <u>Fall 2021</u> semester is expected to become available at the end of Fall 2020 (late December 2020).**

Admission prerequisites and degree requirements can be found on WCC's website below. Questions regarding the availability of the application packet can be directed to the Health and Second Tier Admissions Office at (734) 973-3596, (734) 477-8998, or healthadmissions@wccnet.edu.

Dental Assisting (CFDAC) Program:
https://www.wccnet.edu/learn/departments/alhd/programs/cfdac/

Students wishing to begin the program in Fall 2021, must successfully complete all admission requirements by the <u>end of Spring/Summer 2021</u>.

Program requirements are specific and we recommend meeting with an advisor to discuss a plan for meeting requirements and to help determine class selection and timing. General advising appointments can be scheduled by logging into your *MyWCC* account and clicking on the *Student Services Appointments* tile or by calling (734) 677- 5102 and pressing 0.
